5th Annual Research Symposium

Transitions Toward Clinical Translational Research

Friday, May 10, 2013 • 7:30 a.m. - 4:00 p.m.
John M. Clayton Hall • University of Delaware, Newark, DE

With a focus on transitions toward clinical research, the day will include speakers and breakout sessions that will cover a variety of topics including clinical translational research in Delaware, the Delaware Valley CTSI, the Delaware INBRE, CTSA resources and services, informatics, and education, training, and career development.

Registration is available:
