“Today, we can no longer separate global health from America’s health.”

—HHS Secretary Kathleen Sebelius, January, 2012
HHS and Global Health

- Office of Global Affairs (OGA)
  Website: globalhealth.gov

- Supports eight programs and initiatives
Global Health Initiative

• An integrated approach
• $63 billion invested over six years
• Seven core principles
• Eight + specified goals
Global Health Initiative

• Three strategic areas of focus:
  1) Protecting communities from infectious disease
  2) Saving mothers and children
  3) Creating an AIDS-free generation

• Updates available at ghi.gov
Global Heath Strategy

1) Protect and promote the health and well-being of Americans through GH action

2) Provide leadership and technical expertise in science, policy, programs, and practice to improve GH

3) Advance U.S. interests in international diplomacy, development and security through GH action.
Other OGA Programs and Initiatives

- Emergency Response
- Exchange Visitor Program
- Global Health Partners
- Multilateral Affairs
- One Health
- PEPFAR
Under President Obama’s leadership, the Federal Government has taken steps to help students and recent graduates join the Federal service. New opportunities will appear on USAJOBS as agencies post them this fall. We encourage you to visit this site periodically, or set up a saved search.

UPDATE (August 2012): Get the most from your job search with our video tutorial. We’ll walk you through how to find internships and entry-level jobs and how to set up an automatic search.

• Internship program
• Recent Graduates Program
• Presidential Management Fellows Program
Growing the primary care workforce by serving communities

We are connecting dedicated primary care providers to the communities that need them.

Experience the Corps

Resources for
- Current Members
- Ambassadors
- NHSC Alumni
- NHSC Partners
- Corps Community Day

Loan Repayment
Primary care providers can pay off student loans while serving in communities with limited access to health care.

Learn more

Scholarships
Students pursuing careers in primary care can receive scholarships for serving communities in need upon graduation and completion of training.

Learn more

NHSC Sites
Clinical practice sites can recruit and retain qualified providers by becoming an NHSC-approved site.

Learn more

Find Jobs at NHSC Sites
Search for primary care job openings and information on NHSC sites. The NHSC Jobs Center currently uses HPSA data as of January 1, 2013, which are the official data for NHSC programs.
“At a time when people are raising questions about America’s role in the world, our leadership in global health reminds them who we are and what we do.”

-Secretary of State, Hillary Clinton
